

NEGOTIATING DENUCLEARIZATION IRAN AND NORTH KOREA

The nuclear programs of Iran and North Korea represent grave challenges to the global security order. Come and listen to leading experts address the following questions: What are the prospects for achieving an international agreement on Iran's nuclear program? Why did the Obama administration press forward on Iran but not on North Korea? What are the similarities and differences in the Iran and North Korea situations? How might an Iran agreement impact North Korea's interest in a negotiated deal?
